

# GARDEN FLAGPOLE DELUXE

## PRODUCT OVERVIEW

Made of aluminium, the step-tapered flagpole gives a stunning appearance, complementing any home. With the ability to withstand wind speeds of up to 70mph, you don't need to worry about taking your flagpole down even on the windiest of days.

The deluxe garden flagpole comes in 2 pieces for ease of installation and comes with an external roping system so that you can easily raise and lower your flag.

We provide advice on which flagpole will suit your needs, where best to install it and any planning permissions you will need to obtain. We also offer a full installation service if you would rather not tackle the job yourself.
