

Parts

- A.** 1 x Base
- B.** 1 x Top Pole Section
- C.** 1 x Bottom Pole Section
- D.** 1 x Flag (with/without fringing)
- E.** 1 x Gold Tassel (Optional)

Assembly

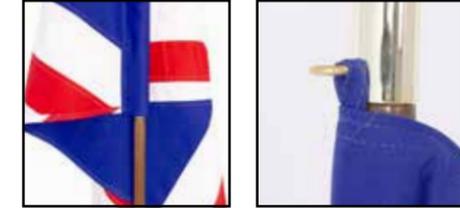

Screw the pole sections together using the thread at the centre. Ensure the pole is securely fastened.

1

Slide the bottom of the flagpole through the top of the sleeve on the flag. Secure the flag in place by hooking the loop over the pin at the top of the pole.

2

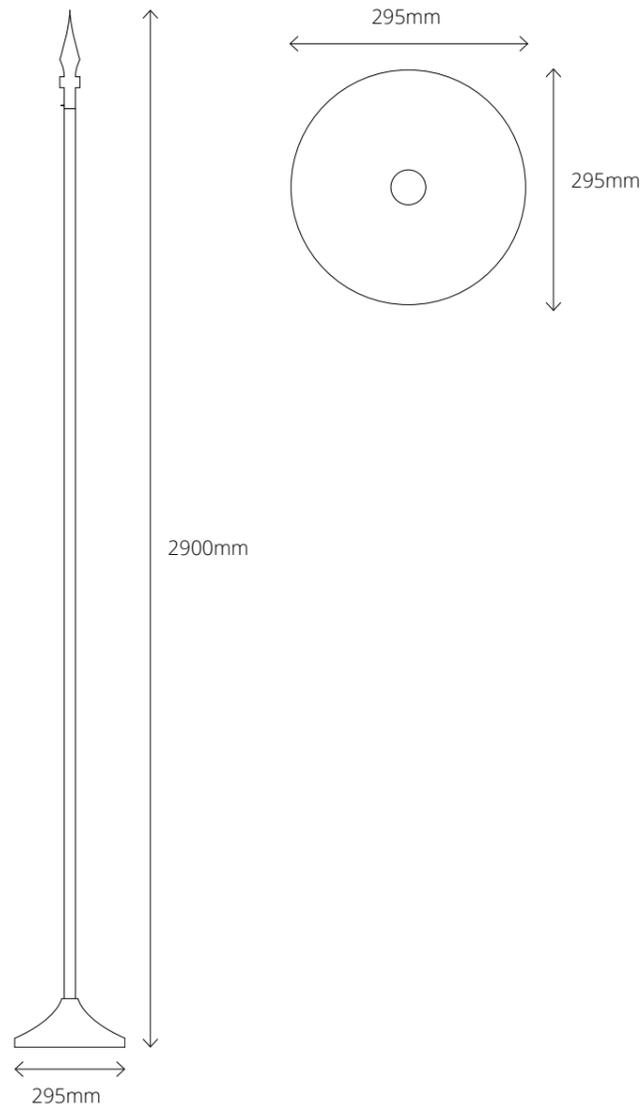

It is recommended that the base is weighted down with sand. Once weighted, slot the pole into the base. If required, loop the gold tassel over the top of the flagpole.
