JUNIOR RUGBY POSTS

Harrisons offer a range of Junior Rugby Posts ideal for schools, rugby clubs and sports centres to develop the next generation of rugby stars. Available in a variety of heights and widths all with an adjustable crossbar to allow you to perfect those drop kicks. You can even let your posts wear your club colours with pride just like you.

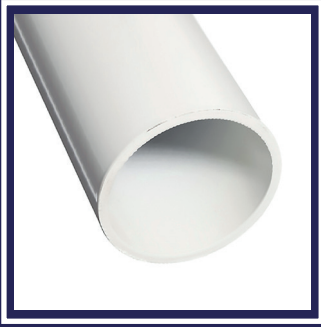

These lightweight and durable aluminium posts are easy to install on a permanent basis by concreting in ground sleeves to hold the posts. Or if you'd prefer more of a temporary solution, optional ground screws can be used. Both options allow you to remove the posts to store them over the off season if you wish.

Ground Fixings

The **aluminium ground sleeve** is inserted using a post-fix at the base then backfilled with earth - when not in use, the foundation tube can be capped and covered.

A

The **ground screw** is screwed into position using a bar (provided) and the posts are inserted into the top of the ground screw and secured with a bolt.

B

Harrison Flagpoles have over 40 years' history of delivering quality flagpoles and currently manufacture approximately 15,000 glassfibre, aluminium and stainless poles a year in their UK facilities. Harrison's have a team of designers and engineers who have extensive experience in manufacturing custom made poles for a range of uses such as flagpoles, banner poles and sports posts for clubs and schools.
