

GARDEN FLAGPOLE CLASSIC

PRODUCT OVERVIEW

Our classic range of garden flagpoles are ideal for the first time flag flyer. Manufactured in our UK facility with a range of sizes and accessories available, we can help you find the perfect flagpole to fly your flag with pride at home.

Made of quality aluminium or glassfibre, the cylindrical classic garden flagpole can withstand wind speeds of up to 50mph.

The entry level garden flagpole comes complete with internal or external roping options for ease of hoisting and lowering your flag, and is available in 1 or 2 pieces, allowing for easier delivery and installation.

We provide advice on which flagpole will suit your needs, where best to install it and any planning permissions you will need to obtain. We also offer a full installation service if you would rather not tackle the job yourself.
