

HOUSEBUILDER FLAGPOLE CLASSIC

PRODUCT OVERVIEW

The classic showhome flagpole is our entry level flagpole, made from either aluminium or glassfibre depending on your needs, our flagpoles can withstand wind speeds of up to 50mph.

All of our show home flagpoles come complete with a heavy duty swivel arm mechanism, which is the strongest on the market to ensure your flag is visible at all times.

Parallel in shape, the entry level flagpole is the strongest on the market with a 2.5mm wall diameter.

The classic showhome flagpole is available in 1 or 2 pieces for easier delivery and installation, and comes complete with an external roping system for ease of hosting and lowering your flag, or an internal anti vandal system if required.

A full site survey and installation service is available and we offer a two year warranty on all aluminium poles.
