

# HOUSEBUILDER FLAGPOLE EXECUTIVE

## PRODUCT OVERVIEW

We offer the most comprehensive range of show home flagpoles which are a great, easy option for construction, housing and signage industries.

Our finest showhome flagpole is manufactured from glassfibre in our UK facilities to the highest specification. The tapered 100 to 65mm pole is able to withstand wind speeds of 85mph.

All of our show home flagpoles come complete with a heavy duty swivel arm mechanism, which is the strongest on the market to ensure your flag is visible at all times.

The attractive tapered, shiny white pole will set the tone for your new housing development and will allow you to showcase your brand and message with a quality feel.

A full site survey and installation service is available.
